

Membership Application Instructions

Applying for club membership is a four-step process that requires only a few minutes to complete.

Step 1: AMA Enrollment. Follow the link at the bottom of this step to the AMA's enrollment center. Those who will be operating a model aircraft should select the 'Full Membership' option if you are 19 years of age or older, or the 'Youth Membership' option if you are less than 19 years of age. Those who will be joining as a non-flying associate member should select the lowest membership cost-level currently offered. You will then be prompted to create an account containing a number of basic information items that you must complete. Following the establishment of your account, proceed to the cart and pay for your membership. Once your payment has been processed, you will be provided with an e-mail receipt and be able to view your assigned AMA membership number. Please make a note of your membership number as you will need it for completing the Dare County Radio Control Flyers membership application.
