## Meet At The Flight Field

Dare County RC Flyers (front) Mike Raines of Currituck with his F4U Corsair, and (back, from left) Dave Rakes from Waves with his SuperFly, Jim Shiels of Manteo with his Electro Stick, Jim Davis of Colington with his Nextar trainer, John Ratzenberger of South Nags Head with his to-scale Tiger Moth, and Justin Davis of Buxton with his Twist 46, were among members who attended members who attended the club's flying event Saturday at the Dare County Range on the mainland. They gathered with pilots and radio control enthusiasts from surrounding counties for a day of flying and camaraderie; then enjoyed a picnic and the swapping of information and tales. The club meets at 7PM. the second Wednesday of each month at the Baum Center in Kill Devil Hills. Those with an interest in learning about the club or radio control flying are welcome to attend or may contact Davis at (252) 441-3810.
